Introducing the world's most effective office/ whole-house air purification cleaner

IN THE NEWS...

"70% of home buyers rank a home's health imprint as equally or more important than other aspects including aesthetics, longevity and cost."

- Dodge Data and Analytics Green and Healthier Homes Report 2015

"Medical-grade, DFS™ air cleaning technology can help asthma and allergy sufferers, elderly and small children, people susceptible to airborne infections and everyone needing or wanting to breathe pure air."

- Vincent Lobdell, Jr., President, HealthWay®

BLUE MARBLE WATER SOLUTIONS

Purity you can breathe!

DID YOU KNOW:
99% of the germs
BACTERIA & Viruses

in your home can be removed from the

AIR WE BREATHE

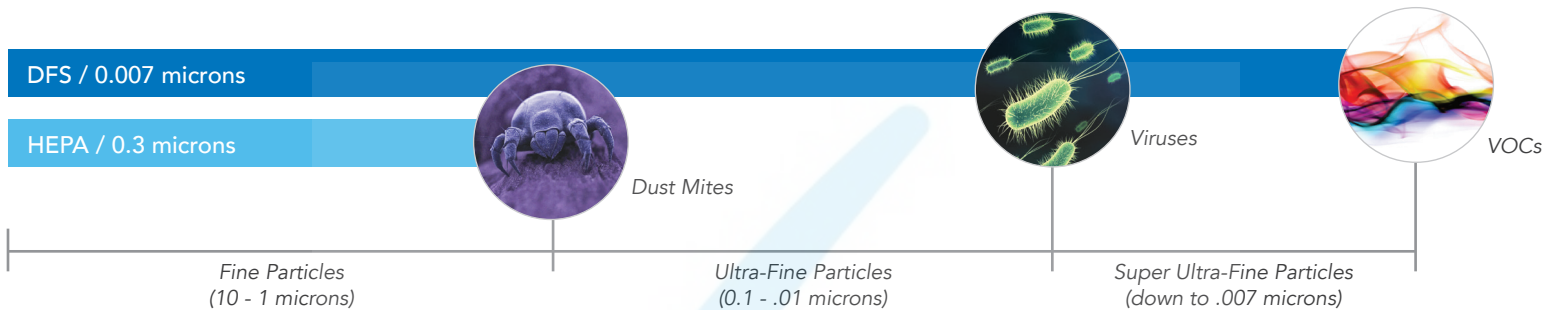

BREATHE, SLEEP & LIVE HEALTHY

- Fresh contaminate-free air for your entire home/ office
- Award-winning, patented medical-grade technology
- Installed directly in your HVAC air system

HealthWay®, DFS™ air technology, Super V™ and Pure™ are licensed trademarks of HealthWay Home Products, Inc., Pulaski, NY

DFS™: The Gold Standard for Air Cleaning Technology

The Disinfecting Filtration System™ (DFS™), the world's leading air cleaning technology, was developed from U.S. germ warfare research. DFS removes 99.99% of airborne particles down to 0.007 micron ~ 40 times smaller than HEPA (0.3 microns). DFS medical-grade technology can give you 90% cleaner air in as little as 30 minutes.

Filter Housing Unit

Stage 2:
DFS Main Filter

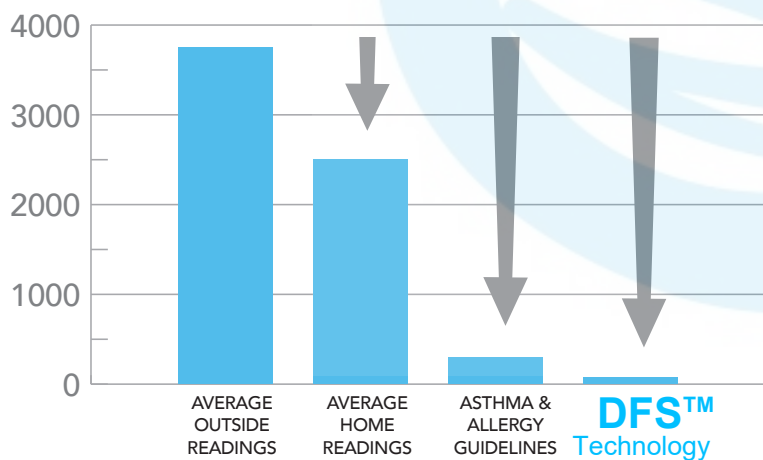

Stage 1:
DFS Germicidal Grid

SUPER V™

Powered by HealthWay®

- Patented medical-grade technology
- Deactivates mold, viruses, fungi and bacteria
- DFS tested by the Dept. of Defense & major universities
- Energy efficient: Only 4 watts of power consumption
- 4 X's greater filter particle-loading capacity than HEPA at 0.007 micron
- Greater than MERV 16 efficiency with half the pressure drop
- Up to 2,000 CFM capacity
- 211 square feet filter media coverage
- Up to 3 years main filter life @ 50% run time
- Limited lifetime warranty
- Dimensions - 27" x 24" x 14" | Weight - 69 lbs.
