BLUE MARBLE WATER SOLUTIONS

Purity you can taste!

Good for You. Good for our Planet.

Dare to be Different! Innovative Excellence at your Fingertips

1. InstaChill™

Every glass is freshly filtered and instantly chilled in a Sealed Water Pathway where air never contacts the water supply.

2. Cooling Capacity

Dispense an 8-ounce glass of water every 30 seconds, for an hour...and ION makes sure it's 42°F or colder. No other cooler comes close.

3. Rapidhot™

Tea, cocoa, and even instant soups are delicious with piping hot, freshly filtered water. Up to two gallons per hour, convenient and ready whenever you are.

4. Sparkling Water

Make it Sparkle™! Indulge your healthy lifestyle with the healthy alternative to soft drinks. Refreshing with juice, or a twist of lemon or lime.

5. Quick Filter Changes

A simple twist removes the filter, without any tools...even without turning off the water supply.

6. Energy Savings Mode

Why run an appliance when no one is using it? Schedule ION's SleepMode™ to reduce energy consumption.

7. Touchscreen Technology

Easy to use Touchscreen allows users to customize settings, and provides maintenance reminders, such as filter change required.

8. CO2 Regulator

Optional feature for Models 300 & 400 for easy to change CO2 supply.

9. CO2 Tank

Optional CO2 accessory in Models 300 & 400. Carbonates up to 250 8-ounce glasses.

ION Microprocessor Control

Proprietary software and precision sensors deliver exact temperature control and ensure high performance under extreme conditions.

Imagine...

An innovative appliance that replaces all the bottled water you could ever drink.

Introducing the ION, the exciting new alternative to bottled water and soft drinks. Pure water refreshment at the touch of a button.

At the source of every delicious sip is Blue Marble Water Solution's exclusive 10-Stage Purification & Conditioning Process ** reducing a wide range of carcinogens and contaminants, transforming ordinary tap water into a reliable source of endless enjoyment, at your home or office.

Satisfy your thirst with a variety of healthy beverages—icy cold still water, piping hot water to warm you on cold days, or the **bubbly effervescence of Sparkling water.**

So leave the heavy bottles and sugary soft drinks behind, and start enjoying the unlimited possibilities of the simple, pure refreshment that is ION.

Good for You,
Good for our Blue Marble!
